Info for event organisers

If you are the lead organiser of your event, we ask that you familiarise yourself with the following information before arriving at The Circle, and that you share this with any guests attending your event.

Arriving at The Circle

On arrival, please visit reception so that a member of our team can direct you to your room.

Please note that you will only be able to gain access to the room you have booked at the time specified on your booking (e.g. if your booking starts at 10am, you won't be able to gain access to the room before this time). You will also need to vacate your room at the time specified (e.g. if your booking finishes at 4pm, you and your guests will need to vacate the room by 4pm). This is to allow us to fully clean and reset spaces between bookings.

If you need to set up equipment or activities in the room before your event starts, we recommend that you factor this in when telling your guests what time to arrive (e.g. if

your booking starts at 10am, advise your guests to arrive at 10.15am). If your guests arrive early, a member of our team will direct them to your booked room unless instructed otherwise.

If you are expecting members of the public to your meeting (e.g. interviews/assessments), please ask them to phone you when they arrive where possible so that you can meet them in reception. Alternatively, if you would like a member of our team to call you when each person arrives, please leave the relevant names, appointment times and a phone number with reception.

During your event

Hand sanitiser and antibacterial surface cleaner is provided in each room.

Please complete the Fire Attendance sheet with each guest's details as they arrive. You are welcome to use your own registration list for large events if that is preferable.

We politely request that you do not use the Gallery or first floor terrace during your event unless these spaces have been booked or requested.

You are welcome to bring your own food or hot drinks into The Circle if you wish. We politely request you dispose of any rubbish in the bins provided, or that you take it with you on departure.

Please try to not overrun your meeting time to allow our staff enough time to clean and prepare the room for the next event. If you suspect your meeting may overrun, or if you require a space for longer (e.g. you need a quiet space for a zoom meeting) please speak to a member of our team.

Smoking (including the use of vapes and e-cigarettes) is prohibited in the building and in the immediate building area, including the first floor outdoor terrace.

After your event

Leave the building via the automatic main doors. Please let our reception team know if you have any feedback.

COVID-19 measures

It is important to us that The Circle remains a safe and accessible venue for everyone. To help you meet and hold your event in confidence, we have retained some COVID-19 infection control measures in our venue.

We are continuing to offer the option of 2m socially distanced room layouts, and masks are available from reception. Our rooms are well ventilated and an enhanced cleaning regime is in place.

Parking

Our partners at QPark offer The Circle visitors half price discount on parking at the nearby Rockingham Street car park.

You can access this discount by booking a parking space online in advance and inputting The Circle's discount code at checkout. Event organisers will be provided with the link and discount at the time of booking.

Accessibility

The Circle is an accessible building with onsite disabled parking, induction loop, and lift access to all floors.

We have three onsite disabled parking spaces. Please get in touch with our team to book these in advance of your visit: info@thecirclesheffield.org.uk
